Docket No. 42390.P9301

STATEMENT OF ANNE COLLETTE

I, Anne Collette, having personal knowledge of the facts set forth herein, hereby declare as follows:

1. On December 24, 2003, I faxed a response to the Office Action mailed September 26, 2003 to the U.S. Patent and Trademark Office at 1-703-746-7238. The response included a Transmittal Form with a Certificate of Transmission/Mailing, which I signed on December 24, 2003. A Transmission Report was automatically generated by our fax machine, which indicated that 15 pages had been successfully transmitted to fax number 1-703-746-7238. A response from the USPTO Auto-Reply Facsimile system was not immediately received; however, I attributed the delay to a large amount of facsimile traffic at the USPTO due to the impending holiday. I did not consider the delay unusual, since I have sometimes received Auto-Reply Facsimile Transmissions several hours after a fax has been sent.

2. On March 26, 2004 I faxed a Request for Continued Examination to 1-703-746-7238, including a Certificate of Mailing or Transmission that I signed on that date. I received an Auto-Reply Facsimile Transmission indicating that 2 pages had been successfully transmitted.

I hereby declare that all statements made herein are true, and that these statements were made with knowledge that willful, false statements and the like may jeopardize the validity of the application, or any patent resulting therefrom.

Respectfully submitted,

BLAKELY, SOKOLOFF, TAYLOR & ZAFMAN LLP
